Waxahachie Independent School District
2024-2025 STUDENT CODE OF CONDUCT & TECHNOLOGY

Dear WISD Parents/Guardians and Students,

Below, you will find the Waxahachie Independent School District (WISD) Student Code of Conduct and Technology Responsible Use Policy Acknowledgement Form. This form must be signed and dated by both a parent or guardian and student and returned to your Waxahachie Independent School District (WISD) campus.

In an effort to conserve paper and continue to be more fiscally responsible, the district leadership team has once again decided to launch this year's Student Code of Conduct on the district website. This paperless Code is located on the front page of the district website at: <http://www.wisd.org> under the "Students" tab. A master copy of the Code is located in each campus front office, and all parents may pick up a free, printed copy of the Code at your WISD campus or the WISD Administration Building.

WISD takes great pride and responsibility in maintaining safety and security on all campuses. It is the district's goal to work together with the community to promote a safe and orderly learning environment for every student.

Sincerely,
Director of Student Services

STUDENT CODE OF CONDUCT

My student and I have been offered the option to receive a paper copy or electronically access the 2024-2025 WISD Student Code of Conduct at <http://www.wisd.org>. Check one of the following options:

Receive a paper copy of the Student Code of Conduct.

Accept responsibility for accessing the Student Code of Conduct by visiting the Web address listed above. I understand that the Code contains information that my student and I may need during the school year, and that all students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the Code. If I have any questions regarding the Code, I should direct those questions to the campus principal or other appropriate administrator. I have read a copy of the 2024-2025 WISD's Student Code of Conduct and understand the offenses listed.

TECHNOLOGY ACCEPTABLE USE POLICY

Students Grades Pre-K-12:

I understand that my use of technology on district provided resources is not private and may be viewed by district officials, including, if applicable, text messaging, search history, and social media activity. I understand that the district will provide me with third party accounts (such as [Google Workspace for Education](#), [Canva for Education](#), [Adobe](#), [Microsoft Office 365](#)) that must adhere to the Acceptable Use Guidelines. Any other third party accounts that I use for educational purposes must also adhere to the Acceptable Use Guidelines.

Waxahachie ISD believes in the educational value of technology and its potential to support student learning by facilitating resource sharing, innovation, and communication. By using content filtering technology, WISD will make every effort to protect students and staff members from any misuses or abuses while using district technology resources. While every effort is made to provide the most secure learning environment, it is not possible to absolutely prevent access (accidental or otherwise) to inappropriate content. It is each user's responsibility to follow the guidelines for appropriate and acceptable use.

WISD will educate all students about appropriate online behavior, including interacting with others online and cyberbullying awareness and response. This places WISD in compliance with federal CIPA (Children's Internet Protection Act) requirements.

Your signatures indicate acknowledgement and understanding of the following standards and that the guidelines have been reviewed by parent/guardian and child. As a user of this service, your child will be expected to abide by the following rules of network etiquette.

 - d. I understand that WISD personnel may monitor and access any equipment connected to WISD network resources, including my computer activity. WISD personnel may delete any files that are not for a classroom assignment.
7. Plagiarism and Copyright Infringement
 - a. I will not plagiarize works that I find on the Internet or on the computers at my school. Plagiarism is taking the ideas or writings of others and presenting them as if they were your own.

If a work contains language that specifies appropriate use of that work, I will follow the expressed requirements. 8. Inappropriate Access to Material
 - a. I will not use district resources (network, hardware, student Google account, etc.) to access or store material that is profane, obscene (pornographic), advocates illegal acts, or advocates violence or discrimination toward other people.
 - b. If I mistakenly access inappropriate information, I will immediately tell my teacher or an administrator and will not attempt to access the inappropriate information again.
 - c. My parent will instruct me if they think there is additional material that they think would be inappropriate for me to access. The district fully expects that I will follow my parent's instructions in this matter.
 - d. I understand that Internet access is provided for support of classroom assignments, and I will not attempt to surf anonymously or modify the computer in any way to allow me access to websites or applications I am not authorized to use.
9. Consequences
 - a. Appropriate disciplinary or legal action in accordance with the Student Code of Conduct and applicable laws including monetary damages.
 - b. Suspension of access to district technology, including the district network.
 - c. Revocation of the district's electronic communication system account(s) and/or termination of system user account, including revocation of any district-owned devices. The district may deny, revoke, or suspend a specific user's access to the district's system or district-owned devices with or without cause or notice for lack of use, violation of policy or regulations regarding acceptable network use, or as a result of disciplinary actions against the user.
 - d. Possible criminal action for illegal activity.
10. Publishing student work
 - a. WISD is committed to protecting the privacy and safety of all students. There are times when teachers and administrators feel it is appropriate to recognize students and their work in a public forum. Young Adult Book Permission Form

All Waxahachie ISD junior high libraries contain books suitable for readers in grades 6-8, including books considered “Young Adult,” which are labeled with an identifying YA sticker on the spine. Books professionally reviewed for grades 8 and up are considered Young Adult in our libraries. Young Adult books are written with teenagers in mind and confront issues that are of great importance to some teens and their families. They can be a powerful learning and coping tool when a young reader connects with characters and what they are going through. However, some of these books contain mature content and mature language, and some families may object to their student having access to these books. For this reason, families must OPT IN to allow their student to borrow Young Adult books. If you want to grant permission for your student to borrow Young Adult books, please sign below and have your student return this form to the library. You may also approve via Parent Square if that is how you have received this message.

- My student has permission to check out Young books from Waxahachie ISD high school libraries.
- My student does not have permission to check out Mature books from Waxahachie ISD libraries.

(Home Language Survey only administered during **initial** enrollment in Texas public schools)

To be completed by Parent or Guardian for students enrolling in Prekindergarten* through grade 8 (or by students in grades 9-12).

* Prekindergarten includes any student enrolling in a 3- or 4-year-old school program.

Part One:

The state of Texas requires that the following information be completed for each student who enrolls in a Texas public school for the first time. It is the responsibility of the parent or guardian, not the school, to provide the language information requested by the questions below.

Dear Parent or Guardian:

Please answer the questions below about the languages your child or family uses. If your responses indicate the use of a language other than English, the school will conduct a language proficiency assessment to determine how well your child communicates in English. This information will be used to determine any appropriate linguistic supports and inform instructional recommendations. If you have questions about the purpose and use of the Home Language Survey, or you would like assistance in completing the form, please contact your school/district personnel.

This survey shall be kept in each student's permanent record folder. A copy of this survey shall follow the student while enrolled in any public or open enrolled charter school in Texas.

Part Two:

Please answer the questions to the best of your ability.

1. Which languages are used at home? _____
2. Which languages are used by the child at home? _____
3. If the child had a previous home setting, which languages were used? If there was no previous home setting, answer Not Applicable (N/A). _____

By checking this box, I understand a request to correct an error to this Home Language Survey can only happen if:

- 1) my child has not yet been assessed for English proficiency; and
- 2) corrections are made within two calendar weeks of my child's enrollment date.
