V. Questions/ Concerns

New to District Teachers need guidance on campus policies. For example, rounding the 9's when submitting grades for report cards, grade change requests, etc.

Rounding grades, most from Covid cases and not un mentor group like new to district.
Teachers solution – good mentor

Grade Change Request Solution – New Teacher Training

Teacher of the Week/Month - Other campuses are doing this, but we have not seen it at Coleman. Can we implement this? If so, how do we do it? Is there a certain group that would be in charge of it? I know in the past the Cheyenne's did one, but there was also one put together by Mrs. Minton where all students could vote. Or should this be faculty driven and play into the Teacher of the Year nominations?

Yes, we will bring it back. teacher of the Year nomination is separate.

Co-Teachers are being pulled for subs. We know we don't want to combine classes, but the co-teach classes desperately need the second person in the room. Is there another option that we can use before we pull a co-teacher?

We are trying not to take away instruction. Using co-teachers is last resort. Not wanting to take away from co-teach classes.

For teachers who are double-blocked with HB tutorials, can we anticipate losing a section of our students at any point?

320 kids in House Bill. Can we give Reading/Math Students a break? She will look at that. Can we get list? Mrs. Minton will get that.

Are we having semester exams? What is the plan? If so, is there a different schedule that week?

Sent out/shared by Mrs. Minton. Exam schedule will be sent out.

VI. Closing/ Adjourn -
